Counseling for Adults Offered

A free educational counseling and adult advisory service is available to all adults in this area, according to Donald Manashaw, director of Torrance Adult Education.

"Frequently young men and women need help and guidance in their future educational program, whether it be at the Adult School or elsewhere. Even older men and women frequently want advice and help in changing their positions, or finding a new occupation or providing for their leisure time.

With a broad program of commercial, industrial, vocational, musical and leisure-time activities, classes at the Adult School can frequently provide the answer for people seeking guidance, Manashaw said.

Adults are urged to take advantage of this free public service by telephoning Torrance 645

Chest Quota Now 4.46 Per Cent of \$17,000 Goal

A total of \$759.75 had been contributed in the Torrance Community Chest campaign as of last Monday night, according to Sam Levy, campaign chairman. This is 4.46 per cent of the \$17,000 goal.

The first report included contributions received from the small business, residential, and advance gifts units in the campaign. No reports had been received from the Commerce and Industry unit as of Monday night.

Levy urged all local businessmen and housewives to remember that Community Chest solicitors are all volunteers who are taking time away from their own businesses and families, in addition to making generous contributions, to help put this campaign over the top.

"Let's receive them with courtesy and not ask them to come back two or three times. Remember their time is valuable too," Levy urged.

"This is one annual campaign for 159 different health and welfare agencies serving all of Los Angeles county," said Levy. "We are being asked to do our fair share in supporting these services on a voluntary basis. If we fail in that, their functions will be taken over by local, state, or national government and we will be forced to pay a great deal more for them through taxes. Therefore it is only good business for us to support the Community Chest."

One example of the services Torrance receives from the Chest is the medical care for local youngsters at the Los Angeles Children's Hospital.

U and the Y

By A. WISEMAN

Stamp Collectors! The contest for the nearest book of collections will be awarded Saturday night in the regular meeting of the club. Be sure to have yours in order, there will be some swell stamp prizes.

A couple of news items about our advisors: Sergeant Herbert Knight is the proud father of a new boy. Congratulations Sgt. and Mrs. Knight. R. I. Plomert, Jr., has just received a swell bunch of foreign stamps for the club. Guess we shouldn't call the second item news, because Mr. Plomert has done a wonderful job in getting stamps for our collections. We appreciate it too.

The Gra-Y pew-ows are getting too big for our Fern avenue hut, so we are dividing up, and some boys have too far to travel. Here's the schedule: Monday October 24th, Fern avenue for all boys in that area, Tuesday, Walteria for Walteria and Hollywood Riviera, Wednesday for boys in the Torrance Elementary area at the Torrance Park, and Thursday in North Torrance. Let's have a good turn out at all four places.

Tough football games begin at 4:30 on Monday, Tuesday and Wednesday afternoons each week. To leaders and teams, be on time, the days are getting shorter all of the time and we want all boys to get home before dark.

To all tough football players: The biggest and best trophies go to the teams showing the best sportsmanship. The selections will be made by your opponent and their leader.

About the game of life, a poet once said: "When the Great Scorer writes the score against your name, it matters not who won or lost, but how you played the game."

Scouting Around

By BOB MAXFIELD

Two Scout Troops of the Torrance area learned last week that they had received the coveted blue ribbon Honor Troop award. This award, which signifies outstanding excellence in every phase of Scouting, was presented to Troop 219, sponsored by St. Andrew's Episcopal Church. Qualification for the Honor Troop award is based on such factors as Troop attendance, camping, advancement, civic service, participation in local Scouting events, and accuracy of Troop records and reports. The Scouts and officers of Troops 219 and 241 deserve a great deal of credit for a job well done.

241-C Ghosts and Goblins and witches will ride on the evening of October 28th, when the members, their parents and friends of Cub Pack 241-C will assemble at St. Andrew's Parish Hall for the Pack's annual Halloween party. The Cubs, as well as their brothers, sisters, and young friends, will come dressed in colorful costumes which probably will run all the way from cow-boys to skeletons. There will be a wide variety of prizes awarded for the funniest boy or girl costume, most colorful, biggest, littiest, etc. There will be games for all and a full measure of everything that goes to make up a Halloween party. In addition to all this, the party-goers will have lots of good things to eat, supplied by the pack.

Pack 241-C is at this time engaged in a drive for new members to replace those who graduated into the Boy Scouts with the recent lowering of the minimum age requirements. All Cubs attending the party are being asked to bring along a prospective new member. A handsome prize is being offered to the Cub who brings in the most new members within a given period of time. The Cub Scouts is open to boys between the ages of 8 and 11, so fellows, here's your chance.
